

Congratulations to Sacramento  
AAUW as you celebrate 100 years  
striving for the equality of women  
in education and life. Your  
sisters-in-action of Woodland  
AAUW wish you continuing success  
in all that you do to promote the  
education and leadership roles  
of all women, young and old, as we  
tear down the barriers and  
demonstrate that women can and  
do change the world.
