Glendalee Scully

A CELEBRATION OF LIFE

We invite you to join us on Friday, November 17th, in celebrating the extraordinary life of Glendalee Scully: wife, mother, grandmother and friend who made such a difference in so many lives.

Glee's life was inspirational. Her commitment to her husband, caring for her many children and grandchildren, and all that she gave to her many clients, students and the community was a testament to how much she cared for those around her. She was a matriarch who touched our hearts with her kindness, laughter, keen intelligence and support. Her memory lives on through the countless lives she impacted, and we gather to share stories, and find comfort in the knowledge that as long as we remember her, her spirit will forever remain with us.

In lieu of flowers, the family kindly requests donations be made to the Scully Social Justice Endowed Scholarship at McGeorge School of Law, a cause close to Skip and Glee.

We look forward to joining with you as we celebrate a life well-lived.
